

Hello Partners, starting January 1st, 2020, the ClothingWorks program will be going through some changes in our program administration on our referral process in regards to scheduling appointments. The goal is making access to the program much easier for our partners and clients. In order to do this we have implemented an app which allows you to send referrals and schedule appointments at the same time. In order for you (Agency) to have access to this we will need some more information. Please complete the form by following this link: <https://clothingworks.ca/partner-agency-registration/>. This form will allow us to add your details to our system and will generate a Login id and a password (we strongly suggest that you change) and then share internally with staff who will need access to send referrals and schedule appointments.

Once form is completed and information received you will have access to system within 24-48 hrs. Once you are registered you will have access to the site 24hrs a day and can schedule appointments at your convenience.

Your patience with us during this transition is appreciated as we strive to provide a more efficient and accessible service for all we serve. If you have any questions or concerns please call me at 519-850-9000 EXT 2272.

Thank you for your patience and cooperation during our transition. We look forward to serving you better in 2020.

Respectfully

Carol- Ann McIntyre
Program Coordinator
